OUR PURPOSE

The Morehead State University Summer Arts Academy (SAA) exists to nurture students' development in the arts in a setting that allows for interaction with expert faculty and the opportunity to work with other students who share specific interests in music, theatre, art and design and creative writing.

THE ACADEMY

The Virtual Academy consists of TWO mornings of activities, including individual and group instruction in your chosen area (music, theatre, art and design and creative writing). The Academy is open to all high school students (incoming freshman through graduating seniors).

The question students will answer: How can drama be used to convey the theatricality of the issue they have chosen? AND I am starting a revolution and my topic revolves around.....*
- **ART & DESIGN: Art Activism:** In this class we will be looking at and creating art for social change.
Digital art: In this class will be a combination of basic graphic design and photography skills using the adobe creative cloud software.
- **CREATIVE WRITING: #WalkMyWorld:** We will use a series of writing prompts to explore the world that shapes our personal story with the goal of crafting those words into non-traditional narratives that speak our truth into the world.
