

DID YOU KNOW?

YOU CAN START EARNING YOUR RN TO BSN DEGREE ONLINE WHILE FINISHING YOUR ASSOCIATE OF APPLIED SCIENCE IN NURSING (AASN).

Make the most of your electives and take classes that will bring you closer to your bachelor's degree while making you more marketable when you enter the workforce. You do not have to be admitted to the Bachelor of Science in Nursing program to take these classes.

Take advantage of the opportunity to advance your education by:

- Completing your general education requirements.
- Completing three NURS course electives (listed below).
- Completing required support courses.

For more information, contact: Lorrina White,
