Quick-Start Guide: Authors – Clinical Practice Application

Accessing Your DRF Program(s)

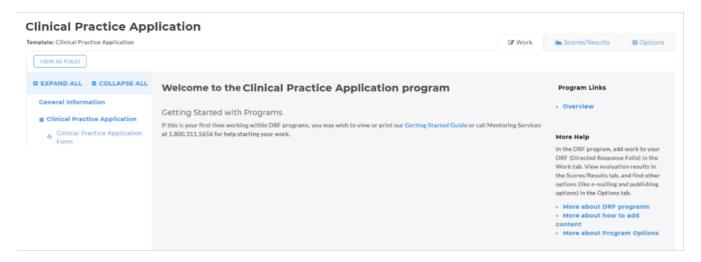

To begin, go to login.taskstream.com and log in using your assigned username and password.

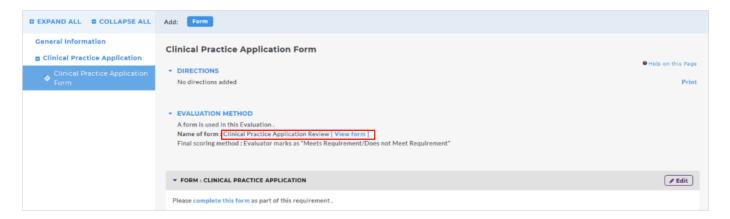

To access your Directed Response Folio (DRF), click the name of the DRF program from the home page.

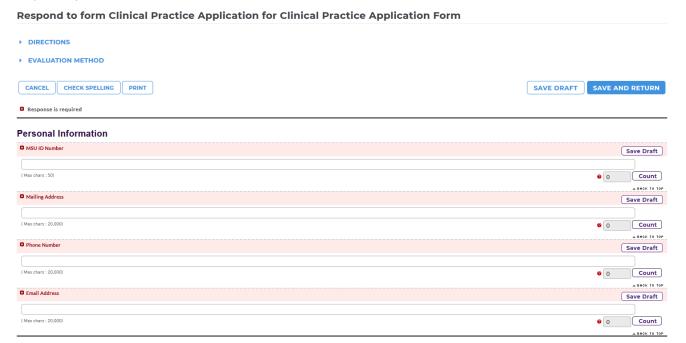

You will see the structure of your Directed Response Folio (DRF) in the left frame. There is only one section in this DRF, the Clinical Practice Application Form.

Click the Clinical Practice Application Form. The content of this section will be displayed in the right frame area. No directions are included, as they are included on the form itself. If you would like to see the rubric being used to evaluate your work, click the Evaluation Method link for that requirement. For the application, the Clinical Practice Application Review will be used for evaluation.

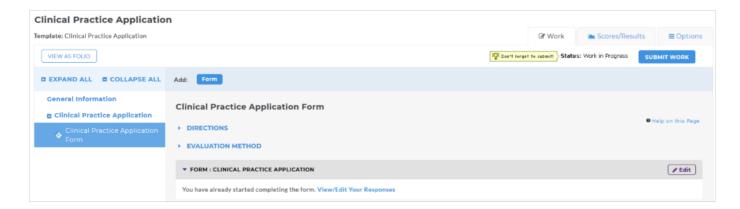

Complete all portions of the form as indicated.

After all portions are complete, click the **Save and Return** button at the bottom of the form.

Submitting a Requirement to Your Evaluator

Click the **Submit Work** button from the top of the Work tab.

Follow the instructions on the screen to submit your assignment and add comments, as necessary.
