Information for Families about Family Day

June 26 - July 30, 2021

Morehead State University

To Families of Scholars:

Saturday, July 10, has been designated as **Family Day**, the day you are invited to return to Morehead State University to visit with your scholar.

Scholars will not be able to leave campus without the authorization of parents/guardians. If your scholar is planning to leave campus on Family Day with someone other than a parent/legal guardian, please let us know in advance, **and in writing with a parent/guardian signature**, the name of that person and his/her relationship to your scholar. You may inform us of your intentions by mail, faxing us at (606) 783-9061, or emailing gsp@moreheadstate.edu.

In the event you are unable to visit with your scholar on Family Day, we have planned a day of activities for those scholars who will remain on campus.

Pick-up time for scholars begins at 8:00 a.m. EST on Saturday, July 10. Scholars **must** return to campus no later than 8:00 p.m. EST, in time for a mandatory hall meeting.

We look forward to seeing you on campus again and will be happy to answer any questions that may arise by e-mail at gsp@moreheadstate.edu or by phone at (606) 783-2075.
