**Step 2** requests that you enter your first and last name along with your email address. Please enter your name here as you would like it to appear on your completion report received at the end of the course.

You can use any email address to register but we recommend not using your organizational email. The account belongs to you, the learner, and if you leave the institution you will still have access to the account if you use a non organizational email. This means you can keep the same account and transfer credit if you affiliate with a new organization.

While not required, we do encourage entering a secondary email address. It will assist in the recovery of your account if you forget your username or password and no longer have access to your primary email address.
