x= With fewer than 4 members, GPA data has been redacted.

\*This data self-reported by Chapters and divided by the number of members in the Chapter to be fair to all sized groups.

Note: Undergrads = Full-time, freshmen through senior; excluding second-degree seekers, other campuses, graduate students, and part-time students.

\*Comparison data for this section is compiled during the semester the report was requested. The data contained within this table reflects average MSU GPA for those Fraternity & Sorority Life (FSL) students enrolled as full-time undergraduate students and who are members of the Chapter during the semester the roster was submitted to OIRA. The cumulative GPA information reflects GPA calculation for the Chapter member's entire undergraduate career at Morehead State University and is not based solely on the semester in which the report was compiled. Likewise, the information reflected for those students, regardless of FSL affiliation, is representative of all students enrolled full-time during the semester the report was compiled at Morehead State University with an academic level of undergraduate who were not classified as Auditors, Post-Baccalaureate Undergraduate Degree-Seeking, or Undergraduate Non-Degree Seeking students and represents data for their entire undergraduate career and is not representative of semester data only. The semester GPA calculation for this table is based solely on classes taken at MSU; the cumulative GPA calculation for this table includes all credit earned.
