DESCRIPTION (INCLUDE DEFINITIONS):

DESCRIPTION: SCHOLASTIC STANDING: Students are eligible to register if they meet the following minimum cumulative scholastic standing. Total hours include all credits attempted at Morehead State University and transfer work. Grade point average is calculated using only MSU coursework (transfer credits are not calculated into MSU grade point average).

- I. A 1.8 MSU cumulative grade-point average if 24 or fewer semester hours have been attempted.
- II. A 1.9 MSU cumulative grade-point average if 25-36 semester hours have been attempted.
- III. A 2.0 MSU cumulative grade-point average if 37 or more semester hours have been attempted.

ACADEMIC PROBATION: Students failing to meet the Scholastic standards listed above are placed on academic probation. A student on academic probation may enroll in no more than 16 semester hours of course work (including MSU 099 - Learning for Success) during each probation semester and for no more than 6 semester hours of coursework during each summer session. Students on academic probation should retake as many classes as possible in which they earned a grade of "E", "D" or "U". Students on academic probation will be required to participate in the Academic Recovery Program through the Office of Retention and Academic Advising.

SUSPENSION. Any student who after one probation semester does not achieve a semester of GPA of 2.0 or the cumulative GPA necessary to meet scholastic standing guidelines (listed above) is subject to suspension from the University. The suspension period following a fall semester is the spring semester; following a spring semester the suspension period is for the summer terms and fall semester. During a suspension period, a student will be ineligible to enroll for any credits at MSU.

NOTE: Any student that is making satisfactory progress (A MSU semester GPA of 2.0 or greater) and participating in the Academic Recovery Program during the probationary period will not be academically suspended as long as progress is being made towards meeting scholastic standing guidelines.

Students suspended under this policy have the following two options:

- 1. Appeal by petitioning the Academic Standards and Appeals Committee - If the student believes the suspension was the result of circumstances beyond his or her control, he or she may appeal the decision to the Committee on Academic Standards and Appeals. If an appeal of the suspension is granted, the student must meet all additional requirements set forth by the Committee on Academic Standards and Appeals to return. The committee may, in some cases, waive the requirement that the student have attempted 30 semester hours before declaring academic bankruptcy. Requests for appeals are made through the Office of Retention and Academic Advising.
