**SWK 326 Junior Field Experience  
Agency Supervisor Evaluation/Recommendations**

Name: \_\_\_\_\_

Agency: \_\_\_\_\_

Semester: \_\_\_\_\_

The SWK 326 Junior Field Experience is designed to expose students to the different areas of social work practice and allow them to observe and practice attending skills and ethical social work behavior in a social service agency. The student is not expected to master skills or knowledge at this level. Guided by that assumption, please answer the following:

1. Did your student demonstrate professional behavior (i.e. showing up on time, no unannounced absences, storing cell phone while in the agency) *throughout* the placement? \_\_\_ YES \_\_\_ NO  
Comment on any needed development in this area.
  
2. What suggestions do you have for improving the junior field experience (from placement to final evaluations)?
  
3. Are you willing to consider junior-level social work practicum students for placement again in your agency? \_\_\_ YES \_\_\_ NO
